

## **Recent Changes / Exam 5**

Exam 5, which was being conducted on a monthly basis, is going to take place on a daily basis from April, 2010 onwards. The system changes are being effected to enable candidates who have cleared Exam 1 – 4 to self-schedule their slot for Exam 5. Once the notification is released, candidates will have to pay on-line, on the NCFM site to enroll for Exam 5. The candidates are requested not to make Demand Drafts for the next Exam 5. The Case Studies for the forthcoming Exam 5 (to be conducted on a daily basis) will soon be available in the downloads section under “Exam 5 / Challenge Status”.
